Regulation R30 (6) and TP11 (2)

Flexible Retirement (Requires a separate policy)**

Employers may allow a member from age 55 onwards to draw all or part of the pension benefits they have already built up while still continuing in employment. This is provided the employer agrees to the member either reducing their hours or moving to a position on a lower grade.

In such cases, pension benefits will be reduced in accordance with actuarial tables unless the employer waives reduction on compassionate grounds or a member has protected rights.

Policy decision

A scheme member, who has reached the age of 55 or over and who reduces their working hours or grade of employment, may request that the employer agrees to payment of either all or part of their accrued benefits.

Some examples of where an employee may be eligible to apply to take flexible retirement are as follows:

- Employee accepts a new job role on less hours or lower grade as part of a restructure.
- Request by employee to reduce hours or move to lower graded post approved by employer.

- Reduction in grade following job evaluation review.

To ensure consistency with the Teachers Pension Regulations, the Learning Academies Trust will currently only consider release of benefits where there is a reduction in employee's gross pay of at least 25% and, will only agree where there is no cost to the employer.
