Dear Parents & Carers,

The Learning Academies Trust would like to reassure you that our schools are still open at present in line with current government advice. This is however becoming more challenging as some of our staff are needing to self-isolate due to unwell family members or based on Public Health England recommendations. We have no confirmed cases within the schools in our Trust.

You may notice that your child has a different class teacher or we are putting classes together. We are doing everything we can to stay open to support you and your children during this uncertain time.

We would like to take this opportunity to thank you for your cooperation during these unprecedented times and if you do have any concerns, please contact the school.

Yours sincerely,

Simon Spry
