Retention Guidelines

These retention guidelines are intended for use by Academy schools based in England and Wales. Academy schools based in Scotland should consult the Scottish Council on Archives retention documentation: <http://www.scottisharchives.org.uk/scarrs/schedules>.

The purpose of the retention guidelines

Under the Freedom of Information Act 2000, schools are required to maintain a retention schedule, listing the record series which the school creates in the course of its business. The retention schedule lays down the length of time over which the record needs to be retained, and the action which should be taken when it is of no further administrative use. The retention schedule lays down the basis for normal processing under the General Data Protection Regulation, Data Protection Act 2018 and the Freedom of Information Act 2000.

Members of staff are expected to manage their current recordkeeping systems using the retention schedule and to take account of differing retention periods when creating new recordkeeping systems. The retention schedule refers to record series, regardless of the media in which they are stored.

Benefits of a retention schedule

There are numerous benefits which arise from the use of a complete retention schedule:

- Managing records against the retention schedule is deemed to be “normal processing” under the General Data Protection Regulation, Data Protection Act 2018 and the Freedom of Information Act 2000. Members of staff should be aware that once a Freedom of Information request is received or a legal hold imposed, then records disposal must be stopped.
- Members of staff can be confident that information has been disposed of safely and at the appropriate time.
- Information which is subject to the General Data Protection Regulation, Data Protection Act 2018 and the Freedom of Information Act 2000 legislation will be available when required.
- The school is not maintaining and storing information unnecessarily.

Maintaining and amending the retention schedule

Where appropriate, the retention schedule should be reviewed and amended to include any new record series created, as well as to remove any obsolete record series.

This retention schedule contains recommended retention periods for the various record series created and maintained by Academies in the course of their business. The schedule refers to all information, regardless of the media in which it is stored.

Some of the retention periods are governed by statute; others are guidelines following best practice. Every effort has been made to ensure that these retention periods are compliant with the requirements of the General Data Protection Regulation, Data Protection Act 2018 and the Freedom of Information Act 2000.

Managing record series using these retention guidelines will be deemed to be “normal processing” under the legislation mentioned above. If record series are to be kept for longer or shorter periods than those laid out in this document, the reasons for this need to be documented.

This schedule should be reviewed on a regular basis.

This document is a guideline only and liability falls on the end user and not on the IRMS. Individual organisations should seek appropriate legal advice as well as senior management approval. If required, Academies should consider purchasing a complete retention schedule. The IRMS can supply details of retention schedules which are available for sale.

The IRMS can only guarantee that these retention periods were correct at the time of going to press and that the retention schedule will be reviewed in a phased programme.

Unless there is significant change in legislation, this retention schedule will be reviewed in 2021.

Questions will only be dealt with if they are submitted by IRMS members.

In order to submit a question, please complete the form on the webpage, remembering to include your IRMS membership number.

1. Governance, Funding and Financial Management of the Academy Trust

The guarantors give an undertaking to contribute a nominal amount (typically very small) in the event of winding up of the **company**. In the case of an Academy, the guarantors will guarantee the sum of £10 each.
